

RATTAN GEORGE'S TRINIDAD HERESIES

Heretical Article: “No healing campaigns to happen again. No more revival to come. The revival is only to the Bride. It is in secret, and when the Bride is healed she must not say anything about it.”

RATTAN GEORGE'S QUOTATIONS FOR HIS HERESIES

Quote Rattan George: “So, it has become the same in the showdown in this Laodicean age. He will no more... You know **plenty people waiting for a big healing campaign to happen again?** You have to know the scriptures, you have to know the word. They waiting for things to happen. **THERE WILL BE NO HEALING CAMPAIGN HAPPENING AGAIN.** It started in the age, and the Lord will not do it. He rebuked the age for rejecting the messenger. Show me one place in the word where the messenger is being rejected and the Lord go back among them and do things like...

What he will do, he will walk in among them, he will find a blind man like in Bethesda. He will walk out the city, he will heal him. (Individual experiences). He will heal him and tell him “Go and tell no man nothing. Let them ask all the questions, give them no answers.” So, **HE WILL NO MORE HEAL IN THE AGE LIKE BEFORE**, nor permit any further testimony in her. Why? Because the probation of this age is over. It is the year of vengeance. The only thing he will do now is show mercy to the individuals.

...So, the only thing he will do in this type of an interval is to show mercy only the individual; it is no more for the public. It is Christ and his church alone, his bride. Don't speak it in the Town. Don't speak it in the city. They ask you anything, stay quiet. (“At the end of the world – Matthew 24:1-3 By Rattan George”)

Quote Rattan: We are thankful, father, we are like that young man that is in Bethesda. You will take us by the hand and bring us on the outside of the city. While plenty people are expecting a revival to come into Bethesda, it's not possible. You would not give them a testimony. You would not give this age a sign. But you will do it personally to the children of God inside the sanctuary of God- a one to one relationship, father, and yet keep it a secret from the public. So, we want to thank you, father, that you had been doing that. And may you continue to do it, father.

In our church we always have these natural and spiritual needs. Those who are sick in body, father. It is not meant to be a public show. Lord, may you do privately what has to be done for your children. (“At the end of the world – Matthew 24:1-3 By Rattan George”)
