

## **E.O.D.H. EXPOSITION OF IMPERSONATORS**

### **REV. 10:7 – REV. 10:1-7**

**E**xposition of damnable heresies (EODH). This is to expose impersonators who have arisen for several years, and of recent years and a few months ago, they have become more prevalent. Some impersonators impersonate Malachi 4:5-6 <Behold I will send unto you Elijah the prophet before the coming of the great and dreadful day of the Lord.>

We of EODH believe that this scripture was fulfilled in the ministry of William Branham. Reference can be made to the article of the Pentecostal fathers from the net or `Wikipedia, that great encyclopedia. They gave a countdown of his ministry:

#### **WIKIPEDIA, THE FREE ENCYCLOPEDIA**

*“William Marrion Branham (April 6, 1909, Kentucky - December 24, 1965) was an influential Bible minister sometimes credited with founding the Latter Rain Movement within American Pentecostal churches, elements of which are present in most modern Pentecostal and Charismatic churches (although William Branham denied any specific connection with the movement). Many consider him a false prophet who taught heretical doctrines, although many today acknowledge him as a true prophet. Branham is considered by many to have initiated the faith healing movement that began in 1947. Other subgroups in the Pentecostal and Charismatic movements were partially influenced by Branham, including the Latter Rain Movement, Manifested Sons of God, and Kingdom Now theology. His ministry had effects felt around the world, and it fostered a number of other ministers who became internationally known. The whole intent of his ministry was to turn Christian hearts back to the scriptures and their experiences to match that of the Apostles. His theme was ‘Jesus Christ the same yesterday, today, and forever’.”*

*“Branham’s legacy and influence - Branham’s popularity continued through the last years of his life. In its February 1961 issue, the Full Gospel Men’s Voice (now the Full Gospel Businessmen’s Fellowship International) glowed: ‘In Bible Days, there were men of God who were Prophets and Seers. But in all the Sacred Records, none of these had a greater ministry than that of William Branham, a Prophet and Seer of God... Branham has been used by God, in the Name of Jesus, to raise the dead!’ Branham’s teachings and notoriety had a profound influence on the Pentecostal and Charismatic movements.”*

*“Though Branham has been dead since 1965, there are thousands around the world who regard him as a prophet, and the fulfillment of Malachi 4:5. Branham taught that the Seven Church Ages of Revelation represent Seven Church Ages. Each of these Church Ages has a messenger. He taught that the succession of messengers was the Apostle Paul, Iraeneus, Saint Martin, Columba, Martin Luther, and John Wesley. Branham did not mention who the last messenger was. It may be difficult to measure Branham’s influence on other evangelists in his time period. But he certainly led the way in the pioneering tent revival, which would lead to the era of tele-evangelism. Branham is often mentioned as the leader of the first revivalist preacher of the second wave of Pentecost that swept the country after World War II. The first wave being Parham, Seymour, and others. Among those who began around the same time of Branham, and part of the second wave of Pentecostalism, late 1940’s to the mid-1950’s, were Jack Coe, Billy Graham, Oral Roberts, and A. A. Allen. It is interesting to note that Branham was one of the first faith preachers, evangelists who not only preached a latter rain, a latter day visitation of God’s Spirit, but also emphasized faith for the healing, as did Coe, Roberts, and Allen.”*

Our purpose of EODH is to make mention of these impersonators. Some are now arising with vehement heresies and are even **threatening to take legal action** if their heresies are exposed. Latter one is MWH. of Africa.

Some are already exposed, for as much as almost 20 years ago, by their names, by their deeds, and identified with their impersonations. We boldly defend the ministry of Elijah the prophet: William Branham.

You will find on the Pentecostal fathers article, that he was one of the most outstanding preachers in his days, confirmed by miracles and signs of God, that he spearheaded the Pentecostal revival. You will find the dates that was given of the revival that broke, bringing out on the fields Oral Roberts, T. L. Osborne, Tommy Hicks and A.A Allen. We will quote some of this.

#### THE DICTIONARY OF PENTECOSTAL AND CHARISMATIC MOVEMENTS, 1988.

*“The person universally acknowledged as the revival’s father and pacesetter was William Branham.” The sudden appearance of his miraculous healing campaigns in 1946 set off a spiritual explosion in the Pentecostal movement which was to move to main street USA by the 1950’s and give birth to the broader charismatic movement in the 1960’s, which currently affects almost every denomination in the country. Branham filled the largest stadiums and meeting halls in the world. As the pacesetter of the healing revival, Branham was the primary source of inspiration in the development of other healing ministries. He inspired hundreds of ministers to enter the healing ministry, and a multitude of evangelists paid tribute to him for the impact he had upon their work. As early as 1950, over one thousand healing evangelists gathered at the Voice of Healing, the name of Branham’s magazine convention to acknowledge the profound influence of Branham on the healing movement.” – (<http://www.letusreason.org/Pent36.htm>).*

Many of these impersonators died, who impersonated the ministry of William Branham, especially his power of discernment. If we search his tapes and books, there is much evidence of those who tried to impersonate him. None of them succeeded. He put down there, “As Jannes and Jambres **impersonated Moses**, so too these impersonated the man called William Branham.” Much is to be learnt concerning the impersonations, in the sermons of William Branham. Since then, more and more impersonators have arisen, with more cunning devices and greater in their impersonations.

On the book called An Exposition Of The Seven Church Ages, pages 173 to 174 tell you about some of these impersonators, false prophets and how they will act in the last days.

**Quote W.M.B.:** *173-4 Now let us take a Scriptural warning here. Was it not in the days of Moses whom God had vindicated that Korah rose up and withstood that mighty prophet? He disputed with Moses and claimed that he had as much from God to lead the people and that others shared in the Divine revelation as well as did Moses. He denied the authority of Moses.*

*Now the people back there, after they had heard the true Word and were well acquainted with the fact that a true prophet was vindicated of God, I say those people fell for Korah and his gainsayings. Korah was not a Scriptural prophet but the people in great numbers with their leaders went for him.*

*How like the evangelists today with their golden calf schemes like Korah's. They look good to the people as Korah looked good then. They have blood on their foreheads, oil on their hands and balls of fire on the platform. They allow women preachers, let women cut their hair, wear slacks and shorts, and bypass the Word of God for their own creeds and dogmas. That shows what kind of seed is in them.*

*But not all the people turned on Moses and left the Word of God. No. The elect stayed with him. The same is happening again today. Many are leaving the Word but some are staying with it. But remember the parable of the wheat and tares. The tares have to be bundled for burning. These apostate churches are getting*

*bound closer and closer together, ready for the fires of God's judgment. But the wheat is going to be gathered to the Master. (Pergamean Church Age - Church Age Book Cpt. 5).*

Impersonators we must have. They are prophesied to be here. An important scripture is Matthew 24:24.

**Matthew 24:24** *<For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.>*

But we are not deceived today. Many of these impersonators were exposed in EODH book 19, - *Self And Satanic Delusion*.

Having impersonated William Branham, God's anointed prophet, impersonated his signs and wonders and miracles, they took his message and tried to preach what they don't know, impersonated the message, impersonated apostles, prophets, teachers, evangelists and there is a great group of so-called ministers, following William Branham.

### **IMPERSONATORS OF THE MINISTRY REV. 10:1-7**

They came up to a **higher impersonation**, and that is, they try to impersonate Rev 10:1-7 the ministry after William Branham (Malachi 4:5 & 6). The one after William Branham is Revelation 10:1, outside of the seven church ages, in the eternal day. There were impersonators who arose claiming to be Christ, who claim to be following after the ministry of Malachi 4, Revelation 10:1. **They identified themselves** in the many solid quotations that Brother Branham laid out for the next ministry to follow him. Some put themselves right into those quotations. Other impersonators, full of unbelief, denied the very words that was spoken by Brother Branham. They closed their eyes when they saw those things, saying that all was in Brother Branham. That is **not true**. That is a lie of the devil. It is right in Brother Branham's message outlined, the ministry that is to follow.

I would in this exposition show those quotations, without identification. **My purpose** is not to identify anybody with that ministry. No. Let the Lord reveal that to them and open up their understanding. Jesus said, tell the **vision to no man**, after they came from mount transfiguration.

Impersonators have arisen in bigger proportions and in, greater volumes. They are so carnal, wicked and full of hatred against the bride of Christ, that if God's ministers will expose their wicked deeds, their false doctrines and heresies, they are ready to take legal actions when the bible forbid them from taking such actions against their brother.

**II Corinthians 6:1-7** *<Dare any of you, having a matter against another, go to law before the unjust, and not before the saints?*

*... But brother goeth to law with brother, and that before the unbelievers.*

*Now therefore there is utterly a fault among you, because ye go to law one with another. Why do ye not rather take wrong? why do ye not rather suffer yourselves to be defrauded?>*

But these are so carnal and so full of hatred that they want to be wrong and strong.

## **IMPERSONATORS NOW EQUIPPED WITH THE SERMONS OF RLL**

Many of these impersonators are now equipped with some of Robert Lee Lambert's (RLL) teachings. Many caught on to the next outpouring of the Holy Spirit, which was something unknown and even dormant. Nobody was looking for an outpouring before or the rapture. But now, even the weed in the fields, the tares, raised their heads, according to Brother Branham's vision and are saying, "We want a rain, We want a rain." When the rain came it fell upon the false vine and the true vine: three kinds of believers. So it is prophesied to be here.

Impersonators arose in olden times. They are little in comparison to the ones presently on the field. And they have compounded the teachings of Robert Lee Lambert with their false teachings and heresies, also proclaiming that there will be **an outpouring and revival** of the Holy Spirit. Where and with whom they cannot say. Like on the day of Pentecost. WMB did specify even like Jesus prophesied.

## **THE WOLF & THE RESURRECTIONIST GROUP**

One of them of recent times, we refer to him as "the wolf". He stole the tapes and books and he started to support the resurrectionists who were put out of Brother Lambert's church, and in time the wolf ascended the throne and claim to be a prophet and apostle, leading the resurrection group, forming his own cult and published the taped sermons of Robert Lambert's teachings, which he commanded not to do, in many tapes and many quotations, now on the net, under the title of "Robert Lee Lambert's Sermons – Public Notice". So when those sermons were made public, contrary to the wishes of Brother Lambert, they were made available by the wolf and the wolf's naked goddess and the resurrectionist group, demanding that Lambert must come from the dead. These are the same people that was once teaching that Brother Branham must be raised from the dead to continue his ministry.

EODH fought that from the beginning, **Lambert fought** that from the beginning and then the wolf came up with the resurrection group and the naked goddess stole the tapes from Bro Bob's church and after stealing the tapes from Brother Bob's church, they made some books out of them and they made public these messages. This was **not supposed to be** in public, therefore I could only say so much on the ministry of Lambert where people have perverted his teachings, added their own ideas and their own heresies to have a platform to preach on. These impersonators will be exposed here on this article.

So, many impersonators have arisen. One of the chief is called the wolf, out of whom God delivered many ministers from Ghana. While these ministers were delivered from the hands of the wolf. EODH editors came on the scene and exposed the wolf as never before. He is defeated. He cannot answer to the challenges of EODH. All kinds of allegations and lies by the tons he tried to use to defame EODH. He has not defeated one article out of the 20 books and the many sermons on the net. He has not defeated anyone of the truths projected.

Many ministers with their own churches, whom the wolf had controlled, got away from the grip of this Satanic wolf. However, I must say here that since EODH was successful in grabbing these ministers out of the hands of the wolf and denouncing him as a false prophet, **other sharks**, right in Ghana, opened their jaws to swallow these ministers who were now exposing the wolf and coming against the wolf for his deception, cunningness and his evil that was in him. Other sharks opened their jaws to eat these ministers and to speak evil of EODH but they proceed no further. EODH exposed them step by step, and that is the way it stands today. Ministers with their churches came out and denounced these sharks. They became enraged because they did not know that EODH had their files for some years and knew that they were coming against the truth and perverting Lambert's teachings and forming a cult to deceive the ministers, telling lies that EODH **worships a man as**

**God**, when the wolf was the one whom they obtained the sermons and the books from. He is now preaching on a message entitled: “*Sr. Victoria Lambert’s Dedicated Service For The Messages Of Bro Lambert 9/12/18*”, broadcasting that Lambert is Jesus and God. That is a **horrible lie** of the devil, and EODH has **nothing to do with that**. EODH does not broadcast Lambert in public saying that he fitted this certain ministry or another certain ministry. We let all draw their conclusion of what they want to think. Some called him Beelzebub. We call him a servant of God. We do not believe that Lambert was Jesus or God. E.O.D.H Denounced that heresy as antichrist and of the wolf.

### **PURPOSE OF EXPOSITION**

So this exposition is **not to fight to identify** who filled the ministry that Brother Branham said was coming on the earth. No, we let every child of God be led as to who this man was called Robert Lee Lambert and what kind of ministry he held. His book was written called “The First Martyr For The Message Of Malachi 4:5&6”, now on youtube and Bethel's Website. No title was given to him but the first martyr and **no one identified him** with any kind of ministry, but as a man preaching the outpouring of the Spirit and a man who was faithful and true and died for what he preach.

**This is not the topic** of EODH to identify who fits the ministry that Brother Branham so clearly stated about in his messages. EODH leaves it to those who would reveal it. But this I say that if an impersonator will try to give Brother Lambert the wrong office or make him a false prophet, then we will stand up as believers to defend that cause.

A major part of this exposition of impersonators will deal with the wrong teachings concerning William Branham, concerning Lambert and the wrong teachings of the ministry that Brother Branham prophesied that will be coming later to expose impersonators inclusive of proud liars denying their own heresies Mr. MWH.

One impersonator is projecting that “Brother Branham was all that we needed and there is no higher revelation than what Brother Branham brought. In fact, Brother Branham played out the part of John the Baptist as well as in a second ministry, he played out the part of Christ.”

This is based upon the fact that Brother Branham came and played out the part of John the Baptist as well as in a second ministry he played out the part of Christ. This is based upon the fact that Brother Branham came with the ministry of Moses, the ministry of Elijah and the ministry of Christ. Brother Branham did not emphasized that fact too greatly. He quoted a lady who prophesied before he came to minister in a certain tabernacle. And the lady prophesied that the spirit of Moses, Elijah and Christ will minister in this tabernacle within three months time.

**Quote W.M.B.:** *40 ...Before that, a little woman stood up in the meeting, a Baptist woman come over there not knowing what she could do. And she was standing in the midst of the meeting and the Holy Spirit fell on her, and she begin to speak with tongues, a Baptist woman from the First Baptist Church of Shreveport... And then, before she could say anything, the Holy Spirit give the interpretation, said, "THUS SAITH THE LORD, 'Within three months, there will be the Spirit of Moses, Elijah, and Christ, ministering in this tabernacle.'" There it happened, perfectly. (60-1204M The Revelation Of Jesus Christ).*

### **MWH HERESY: ALL IN W.M.B. - NO HIGHER REVELATION**

This impersonator who is a proud liar and deceitful man, who will preach a heresy and then deny that heresy that he preached, though you have a cloud of witnesses, he is projecting that we only need Brother

Branham as the messenger. He is indicating that all was in Brother Branham and we do not need any higher revelation. Now, this is a lie and deceptive. **I challenge him** to show us one quotation of Brother Branham that declares such an interpretation. He cannot find it. Brother Branham was a humble man, not deceitful and hypocritical as this impersonator. He was a most humble man and when asked if he was the only preacher, he denied that and said that he was only a small pebble on the beach amongst big stones.

This man has formulated a doctrine, trying to show that all was in Brother Branham. I am saying like I previously, that this man is **denying the message**, he is **denying Christ ministry - Revelation 10:1**, to follow Brother Branham, which Brother Branham emphasized in many places, on many quotations and this man cannot put back what he is saying in the scriptures. He will be contradicted by Brother Branham's own message.

This is **not a fight to show** that Brother Lambert fit that place or that ministry that Brother Branham spoke about. I have never preached in public where Lambert held that ministry. The tapes/sermons were stolen, handed to the wolf and the wolf shared those tapes out, contrary to the wishes of Brother Bob, and a warning was sent out on EODH website and that of GCC Connecticut Church, and you would not find me bringing Brother Bob's name into this ministry. But this is enough to shut this impersonator's mouth. He is saying that that is the end of the revelation where Brother Branham got all the revelation and that there is no higher revelation and there is none to follow him. WMB stop short of the 7th seal/7 thunders.

### **WHITE EAGLE MESSAGE COMING FORTH NOW – NOV. 1965**

**Mr.** Impersonator, I hereby address you. You know your name and you know all those who are following you and following this lie. In 1965, The end of Brother Branham's ministry, I will quote Brother Branham from "*On The Wings Of A Snow White Dove*"

This is your public conclusion that there is nobody to come after Brother Branham and no higher revelation. My backslidden friend from EODH, a man who never read the books or listened to the tapes carefully, but conveniently.

On that tape Brother Branham said, **the next message comes forth by the white eagle**. Afterward, he said the dove is leading the eagle.

**Quote W.M.B.:** *211 I laid my hands against the rock and looked up towards Heaven and started praying. I heard a Voice coming out of the top of the rocks there, said, "What are you leaning against, over your heart?" And I raised back like this, my bare shoulders; naked from my waist up, hot. I looked back. And there was wrote in the quartz, in the stone, "White Eagle"; just exactly what the vision said that the next Message would come forth by.*

*212 I was so excited, I run home; got a camera and come back the next day, and took the picture of it. It was still there, wrote in the rock: "White Eagle." (Dove leading eagle.) (On The Wings Of A Snow White Dove 28/11/65).*

**Quote W.M.B.:** *216 Dear God, I thank You for these things, Father. You give Noah the sign, You gave the world the sign, and You gave me a sign. And the next day, seeing that eagle flying, O God, **there's a Message coming forth** now, and I pray, God, that **You'll let the Dove lead.** (On The Wings Of A Snow White Dove 28/11/65).*

Are you placing there Brother Branham as the one who received the white eagle message and that Brother Branham held that prophetic office (Eagle... white eagle)? The next message comes forth by the white eagle and the dove would be leading the eagle. What nonsense are you talking for me? That was the time when Brother Branham was healed. It was a short while before his departure.

If Brother Branham is that white eagle and the Holy Spirit was leading him, prove it to me where Brother Branham got that white eagle ministry and who it represents. You are saying that Brother Branham got all things. Now answer me. Prove it to me, prove it to the world. You are being **exposed as an impersonating hypocrite**. Show us and answer us that question? EODH is speaking to you. You know who you are.

You don't want me to call your name. It will be called in any case. This is not a battle to show that Lambert got that ministry. I do not argue things. I am here to **prove to you that there is a ministry** after Brother Branham. Go read it yourself and answer that. We have quoted it directly to you from "On The Wings Of A Snow White Dove", and Brother Branham only lived a few weeks, less than a month after that. **When did he fulfil** that ministry? It was something to come: "The next message **comes forth** by the white eagle."

What is the message? It was God's word. It must come by Amos 3:7 a prophet an eagle, not the bride, not WMB Mal 4:5-6 he was going to depart in December 1965. Squawk now! You chicken, you are ignorant of the White eagle message!

Prove it to me. Are you going to close your eyes to those words? Are you going to close your ears to those words? Are you going to close your heart to the message of Brother Branham and his declaration? Then that **makes you an unbeliever**. It makes you a make-believer.

Why is it that you turned away from that? When was that fulfilled? What was the message of the white eagle? Not the message of the day but of the eternal age when Rev 10:1 swore away time.

Many other quotations verified the same. Do you have an interpretation to explain away Brother Branham's teachings? Then you are found an impersonator, a deceiver, a proud man, a lying man, after that was made very clear in EODH's twenty books for almost twenty years, and you were a man following EODH for several years.

How can you secretly go out of EODH and preach the ugly heresies that you are broadcasting? You never came to EODH and asked a question: "What is the meaning of this? I have some fears, I have some doubts." Answer this question. That is where Brother Branham **declared an eagle after him**. Don't tell me it is the Holy Spirit, because the Holy Spirit is leading the eagle, and it is a white eagle, and the Holy Spirit is leading the eagle. Who is that? You want to put Brother Branham into it? You want to give Brother Branham that ministry? Then the world over ought to tell us **what the message of the white eagle is**.

Come on, think. Preachers with this impersonator, other impersonators that follow, can you help this man to run a straight line on this quotation of Brother Branham? This is not something made up. No. This is not a Lambert something. Do you know the meaning of white eagle? Do you know the meaning of this? Do you know the meaning of the Holy Spirit leading the eagle?

### **WHITE EAGLE SHARP TURN**

This might be foreign to you. Do you know the meaning of **another vision** that said that the white eagle made a sharp turn, and all the birds that were following, which were grey, became black crows and fell into a

dark chasm and died? Have you ever heard that? If you do not know, I want you to know that that is the teachings of Robert Lee Lambert, that you reduced to Peter the apostle.

Let the hearers decide for themselves who fits that ministry. There are quotes after quotes where Brother Branham spoke of a ministry after him. This is 28<sup>th</sup> November 1965, friend. Show me where that was fulfilled? You are hogtied from Genesis to Revelation. What can you say? How can you debate this? Don't tell me that the **white eagle is in space flying** and we ought to go up into the atmosphere and get the revelation, like Coleman said. No, that is absolutely wrong. You have the people looking up into the atmosphere to catch the born again revelation of Christ. You are a deceiver. The first man that was born again recognized the messiah in the white eagle, and that white eagle was Christ in flesh – son of man. Can you altar that? Can you change it? You are preaching a doctrine that you don't have to see Christ in any flesh. He that denieth that Jesus Christ is come in the flesh, is antichrist, the Bible said.

*1 John 4:2-4 < Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God:*

*And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world.>*

If you don't know you should have shut up. You should have gotten on your knees. You should have begged. You should have knelt down and begged God to reveal it to you.

When that happened, friend, where the first man called Peter recognized God in human flesh, he was born again right then. You want to deny that? Everybody that got born again had to recognize the same in their day and age, and that became the rock of the church:

*Matthew 16:18 <...upon this rock I will build my church and the gates of hell shall not prevail against it.>*

And that was the first man that recognized the messiah; God in human flesh, and Jesus said flesh and blood hath not reveal it to you, but my father which is in heaven hath revealed it to you.

### **MWH HERESY: WMB WAS BOTH JOHN THE BAPTIST & THE CHRIST**

Yes, where are you standing? There is another ugly thing you said, and I will emphasize it, that John was typed out in Brother Branham, and in Brother Branham was typed out the Christ – he was the Christ. Foolish heresy, ignorant heresy. How could the forerunner be the forerunner and the coming of the Lord at the same time? Impossible.

Brother Branham prophesied that such spirits would arise in the end time with such heresies.

### **MWH SEDUCED BY DEVIL: MISTAKES JOHN FOR THE MESSIAH**

**Quote W.M.B.:** 328-2 *I want to make one more comparison between the Laodicean prophet-messenger and John, the prophet-messenger who preceded Jesus' first coming. The people in John's day mistook him for the Messiah.*

*John 1:19-20, "And this is the record of John, when the Jews sent priests and Levites from Jerusalem to ask him, Who art thou? And he confessed, and denied not; but confessed, I am not the Christ."*

*Now this last day prophet-messenger will have such power before the Lord that there will be those who mistake him for the Lord Jesus.*

*(There will be a spirit in the world at the end time that will seduce some and make them believe this. ...But don't you believe it. He is not Jesus Christ. He is not the Son of God. HE IS ONE OF THE BRETHREN, A PROPHET, A MESSENGER, A SERVANT OF GOD. He needs no greater honor bestowed upon him than that which John received when he was the voice that cried, "I am not He, BUT HE IS COMING AFTER ME." (Laodicean Church Age - Church Age Book Cpt.9).*

You are citing John the Baptist and Jesus, as one. The forerunner could never be the Christ. The forerunner was only introducing the messiah, but the messiah was coming. And right in our age, Matthew 25:6 said, *"Behold the bridegroom cometh, go ye out to meet him."* That was our John the Baptist, but then the Bridegroom was another person. **That is the ministry** Brother Branham spoke about, and the seventh seal brings the coming of the Lord. Where are you? Do you have any revelation on that? You are putting all the revelation in Brother Branham. Will that ever stand in front of the Word? You have more coming.

I will thoroughly prove that **you have no revelation** on Brother Branham's message nor any revelation on the teachings of Lambert. You went on a crash program and you fought very hard to understand the message, until you hatched up all kinds of heresies. It cannot work, friend.

Show me in the Bible where the forerunner was Christ? Show me and explain the quotation at the river of Ohio, that your message shall forerun the coming of the Lord. I think what happened and what got you crazy is because you cannot divide the spiritual coming from the natural coming for the rapture, and you tried to figure out this revelation and you got confused. Now, you have become a heretic. Now you have become worse than an idiot, taking Brother Branham's ministry and the coming of Christ and put it in the forerunner. The forerunner could **never be the Christ**. So William Branham was not revelation 10:7 and Revelation 10:1 at the same time. You are thoroughly exposed. Brother Branham spoke of the ministry that was coming after him, and I am not yet finished, You will have to explain a lot of scriptures. The world will **have to know you** as an impersonator and a man who does not know the message of the prophet nor the teachings of Lambert, which you tried to follow secretly and have breathed a cult.

Next on the agenda about the ministry that followed Brother Branham. You know very well that you cannot explain these scriptures and these quotations. You found some little hole to put it. You cannot explain away the Word. You cannot make John in type, the same man as Jesus. They are two different ministries. You forged this idea from the message believers that all was in Brother Branham. I challenge you; you cannot fit all things in Brother Branham. You do not know the message of Brother Branham. You do not know the teachings of Brother Lambert. You do not know the teachings of EODH. No, absolutely you cannot fit it.

#### **GREAT PERSON TO RISE ON THE SCENE – THIS MINISTRY HAS LAID A FOUNDATION**

**Quote W.M.B.:** 567 (4) *It may be time. It may be the hour now, that this great person that we're expecting to rise on the scene may rise on the scene. Maybe this ministry that I have tried to take people back to the Word has laid a foundation; and if it has, I'll be leaving you for good. There won't be two of us here at the same time. See? If it is, he will increase, I'll decrease. I don't know. But I have been privileged by God to look and see what it was--unfold to that much. Now, that is the truth. (The Seventh Seal 24/3/63 - New Ed. Page 512 (325) to 513 (328)).*

Where would you put the quotations from the seals: pages 559 to 578 from the old book, and pages 504 to 523 from the new edition, where the prophet said that he is only laying a foundation for somebody else to stand on. Where are you putting that? Was Brother Branham talking about himself? Read it properly and we

will show you where Brother Braham said certain things on the seventh seal that you cannot deny. You cannot fit that. He said the seventh seal was not opened, on many quotations. **Are you going to deny that** with your unbelief? Do you have an explanation for it that you would explain that away where Brother Branham said that there is somebody that will follow me? Where are you coming from?

Are you going to deny that quotation, are you going to close your eyes to it? Are you going to jump it over? Are you going to blind the people to say that Brother Branham meant himself? Now, do not sound like an idiot, friend. No. You sound like a make-believer when you would do that. The prophet was standing right there and he **said that there was someone to follow me**. I am just adding to what Brother Branham said about another ministry following him. Not Lambert, friend. I don't go to the public and run my mouth, and I don't go out like the wolf, giving out tapes and giving out books. The ministry was not yet to the public. Brother Branham warned us on the seventh seal that it will create impersonators, and that is what it has done.

#### **IF SATAN KNEW ABOUT 7<sup>TH</sup> SEAL, HE WOULD IMPERSONATE IT**

**Quote W.M.B.:** *377 Will be a good thing that he doesn't know anything about it, because if he did, then he would impersonate that. That's his tricks in doing things. So therefore, God has made it so hid to the whole world, even to heaven, that there is no way of understanding it, only as God will reveal it Himself (The Seventh Seal 24/3/63).*

#### **IF SATAN GETS A HOLD OF IT, HE MIGHT DO GREAT DAMAGE**

**Quote W.M.B.:** *557 (5) Now, why? Let us prove it. Why? It is the secret that no one knows about. John was forbidding to write about it, even write a symbol about it. Why? This is why there was no activity in heaven; **it might give away the secret**. Do you see it now?*

*...It was so great till it's kept secret from the Angels. Now, why? If Satan should get a hold of it, he might do great damage. **There's one thing he don't know**. Now, he can interpret anything he wants to, and impersonate any kind of a gift (I hope you're learning.), but he can't know this. It's not even written in the Word. It's a total secret. The Angels, everything shut up. If they made one move it might give something away, so they just shut up, quit harping; everything stopped. (The Seventh Seal 24/3/63 - New Ed. Page 503 to 504 (249-256)).*

#### **DON'T TRY TO INTERPRET 7<sup>TH</sup> SEAL – TWIST YOURSELF OFF BEATEN TRACK**

**Quote W.M.B.:** *“Don't try to put your interpretation to it. You only get further away. Just take my advice, if you believe me now...Don't put your own interpretation to anything. You just go on and live a good Christian life, 'cause you'll only wind yourself away from the real thing when you do it...just let your testimony be with love all the time with the people, 'cause if you don't you **twist yourself out into something there, and then you're off the beaten track**. See, every-time you try to do it, you've done that. See? So just **don't try to make no interpretation**. And especially tonight, when **that Seal** becomes up in front of you. Just **don't try to interpret it**. You just go ahead and just be humble and go right on with the same plain message. You remember, I'm saying this for your good.” (Questions and answers on the Seals 24/3/63).*

You grabbed the books from the wolf, you grabbed the tapes. You thought you could get a revelation higher than EODH. You ran into that, picked it up and tried to figure out this revelation and it choked you. It will never work.

You went into Brother Branham's message, you explained away the quotations for the next ministry and put it in Brother Branham. Where did you ever hear that the forerunner could be the messiah? Now, **I challenge**

**you**, friend. Where can you find that in Brother Braham's message, that doctrine that you are preaching that Brother Braham played out the part of the forerunner and then played out the part of the coming of the Lord? It sounds foolish. You are typing out John the Baptist and typing Jesus? Did you not type out to show that they are two different men? Answer me. That one was a man that foreran and the next was the son of man that came with God in him and only one man recognized that and that was Peter, and then that revelation was given out? What are you talking about? You are an impersonator. You are fooling the people.

EODH had been on the trail to resist everybody and Lambert was on the trail to resist everybody that said all was in Brother Branham. It is a lie of the devil. You did not study Lambert's message otherwise you would have found where he exposed the resurrectionists, who said that 'if anything has to happen, Brother Branham must be here - he must resurrect, No man preached against the resurrection doctrine and that all was in Brother Branham, like the man called Bob Lambert. He fought the whole country and he fought the whole world.

Where did you get this crap from? Where did you get this heretical teaching after the prophet has spoken? You make him John the Baptist and Jesus at the same time. This is a terrible heresy, and friend, the ministry of Brother Branham, the impersonators, your brothers, they know better than you; they know the books and they know the tapes and they know what Brother Braham said about the **ministry to follow him**, and they became false prophets.

This is what Brother Branham did not want go out and it was **kept secret for a long time**. God did that, and it came out in a greater way when the tapes were stolen and the wolf went out impersonating that ministry and people caught on. I could give you many stories of people getting a glimpse into that second ministry coming: the white eagle, if you care, the message of the white eagle, and they put their own interpretation and they put themselves into it and made cults and ism. You have a different cult and you have a different ism.

Come, I am challenging you. Who is that Brother Branham was speaking about on the seventh seal? Who is that? Your idiotic teaching tells you that it is Brother Branham. It is **not Brother Branham**. Brother Branham left room for another. Hear the nonsense that you are saying that there is no higher light. That is another heresy that I have to deal with – no higher light, when Brother Branham himself said that there is greater light coming.

### GREAT LIGHT COMING THAT WILL FLOOD THE EARTH

**Quote W.M.B.:** 55 ...Charles Fuller ... said this morning (he was teaching on prophecy, I believe); he said that there were great things ahead, things that the church knows nothing about would be opened up to the people. I said, "Amen." to that. I believe that we still have great Light coming on now that'll just flood the earth one of these days for a short period, maybe just in a matter a months. But I believe that there's great Light coming. (61-1015M Questions And Answers).

The seal did not flood the earth, only the message of the 7<sup>th</sup> church age. He stopped evangelizing. It is something greater.

Hear the foolish statement that you are going to make. Brother Branham said there is greater light coming. In 1965 Brother Branham spoke about the white eagle coming with **a message**. Not the seventh day message, friend. It was waiting for the new day, the eighth day, if you are please, for the new covenant to bring forth a new message.

Where are you standing? You deceived those poor people, telling them that there is no higher revelation than what Brother Branham received. It is a lie, you impersonator. Pastor, you are a liar. Pastor, you are proud to go and make an ism out of the opening of the seals. God will wrench your name out of the book of life saith Lambert on the tape called "The Two Kingdoms". He said, God will wrench your name out of the book of life for tampering with this revelation." Did you read that? No, you were too hurry. You were on a crash program to understand Lambert's teachings and sermons. You were too hurry to hide away the quotations which he made concerning the ministry that was coming after Brother Branham.

You mean to say that you read those books and listened to those tapes and you heard Brother Branham's tapes and you never caught on that there is another message coming by the white eagle? And there are greater revelations that you know nothing about. You are an impersonator. You just took so much of EODH, so much of the teachings of Brother Branham, so much of the teachings of the man called Robert Lee Lambert and try to broadcast that amount to your believers. You are a lazy fellow. You never checked these things out? No, you were too proud to understand. You were not humble enough, otherwise you would have come to EODH that is broadcasted throughout the world and ask a question. But you are too proud to ask a question.

I knew something was wrong with you from the beginning, friend. But I am not that man to expose every little thing. I wait until a man is fully manifested. When he is fully manifested and he needs exposure, then we expose a man. But I knew that something was wrong with you. Yes. Many things I could quote. I don't want to even quote.

### **CAN A MAN BE SO BLIND?**

**My God**, can a man be so blind that you make the forerunner the coming of Christ, boy? You **sound like a little boy**. And you try to quote this and quote that and quote that. The heresies that you made are many. I am only using these expositions of your heresies that you may catch yourself if there is repentance for you. You pervert that ministry of Brother Branham? You pervert the next ministry that is to come? Believe it or not, friend, **there is a third pull ministry** and it is tied up right in the coming of the Lord. You cannot figure that out. You should have humbled yourself.

Alright, there are many quotations. Another quotation that you became blind to and hid it and you are fighting it... Don't you think that I was not on your trail. EODH has been on your trail for a few years. And Brother Branham spoke on the quotation on "Spirit of Truth". I am not talking looking at a quotation book, boy. No, when I have the need of it, it comes to me and I speak them out. Brother Branham said that there would be somebody else coming to take this message on.

### **THERE'LL ARISE SOMEBODY AFTER ME & TAKE THE MESSAGE ON**

**Quote W.M.B.:** *43 It may be my going-home time. It looks very much that way. If it is, there will rise somebody after me, that'll take the Message on. He'll be an odd person, but he'll rise after this and take the Message on. And you listen to it. As long as it's Scripture, stay with it. (63-0118 Spirit Of Truth).*

What message is that? What message is that that somebody will come and take it on? What message is that? Did you not read that the white eagle has a message and somebody will take this message on? Now, behave yourself. You are a big man and I want to treat you like a big man. But when you speak like a little boy and then you would behave like a little boy and speak foolishness, then I have to talk to you like a little boy.

### **IMPERSONATOR THREATENS LEGAL ACTION IF EXPOSED**

You speak like a little boy that you are going to take legal action. What, that other impersonator, who is he, your lawyer? You are going to take legal action. Is that what Jesus said? I am proving to you that you do not know the ABC of the Bible, boy. Jesus said rejoice and be exceedingly glad, for great is your reward in heaven. Your reward is in the magistrate court. Yes. Your reward is to bring persecution to the people that got away from your deception. What is the matter with you? It goes to show that you know nothing, you don't even know your Bible. You are **running to the law for protection**. Yes. And there are other fellows who run to the law. If you would not hear this privately you are going to hear it publicly, boy. Yes. You are an impersonator, and all who follow you in the ministry are impersonators. They had better brakes for their lives and jump out.

This is EODH, undefeatable, unconquerable. It defeated everything on the field and nothing defeats EODH. I challenge you; show me one article in EODH that is wrong. Prove this that I am saying here is wrong, show where it is a cult. Show where it is wrong and I will expose you to the world. That is just one item, one heresy, and you see how many heresies are hooked up in that?

You went off one inch, just a little, and fifty feet away you missed the bullseye. That is what Brother Branham said. A little fraction and you missed the bullseye by fifty feet. Don't be a foolish man, there is room for repentance. There is room for you to check out these things and say "I was wrong."

EODH editors are the most sympathetic and merciful, even like the kings of Israel. They said, and the kings of Israel were merciful kings, but they had no mercy with the Amalekites and all those other heathen nations.

More is coming. You don't know the ministry that is following Brother Branham? More is coming. Where are you going to put those quotations? Where are you going to hide them? How are you going to deny them? Only by a bag of unbelief, and teach the people to disbelieve Brother Branham. That is why I am coming against you. You are teaching the people to disbelieve what Brother Branham said that there is nothing higher. I am saying that there is something higher after Brother Branham, and it is wrapped up in the white eagle message. And more is coming to show you that there is greater revelations than what Brother Branham preached. You are confused, friend.

In preparation for exposing more impersonations of these impersonators that are exposed generally, I would reiterate what is exposed from the MWH impersonators. They cannot find a defense as concerning what they are challenged upon by EODH.

It is a total impossibility for these proud and ambitious lying preachers to prove that the ministry of Brother Branham was divided into two parts:

- A. Brother Branham the prophet played out the role of John the Baptist, forerunning the second coming of the Lord.
- B. Then in another ministry played out the part of Christ.

That is a lie of the devil. Two men played out those in the first coming. One man played out the role of the forerunner and another man played out the coming of the Lord. Jesus himself said that 'the flesh profiteth nothing but the words that I speak unto you they are spirit and life'. No man is going to be Jesus Christ. We don't worship the flesh. You lied.

So, one of the major heresies, and there are others that will be exposed and will be coming shortly, is the death-seed, it was borrowed from the message followers, and it states that all was in Brother Branham. They phrased it a little differently but the heresy still remains the same. They put in their own words that there is no higher revelation than what Brother Branham brought, and they try to fit him into the ministry of Revelation 10:1 - the coming of the Lord. No man can do that. They are two separate ministries, two separate men, two separate voices, which we will emphasize a little more in our next exposition.

We have covered and will cover a little more on the fact that they are saying, like many other impersonators, that there is no higher revelation than what Brother Branham brought. Now that is a lie. Brother Branham himself spoke of the white eagle and the white eagle message. There is no way that these impersonators could prove that that is Brother Branham. He only lived for a few weeks after, and I made reference to what was spoken.

They cannot show that that is the ministry of the Bride. It is totally impossible. The Holy Spirit was leading a white eagle - son of man. An eagle in the interpretation of the scripture is a prophet. God said that he bore the children of Israel on the wings of an eagle, speaking of Moses and Israel.

*Exodus 19:4 <Ye have seen what I did unto the Egyptians, and how I bare you on eagles' wings, and brought you unto myself.>*

Therefore there are higher revelations after Brother Branham and it will come and possibly it is here and came by Revelation 10:1, the mighty angel.

So, we majored on the white eagle and his message. These men with other impersonators cannot defeat that. The other heresies which were exposed followed that major defeat of these men. We will continue on some of these heresies shortly. But here I state the other heresies that was exposed:

- 1) All in WMB's ministry - major death-seed of the perverted message that includes 7th seal/7 thunders now or in the future. Some say by his resurrection.
- 2) Automatic denial of the white eagle and his message 1965, November.
- 3) W. M. Branham was both John the Baptist and Jesus Christ. He, WMB, had both ministries.
- 4) Automatically deny W.M.B.'s declaration of someone to increase and him to decrease, in type of Christ's first coming. (Seals page 567, New Edition page 512).
- 5) Automatic denial of W.M.B's declaration, saying that there will be somebody after him to take the message on. (Spirit of truth - W.M.B.).
- 6) Legal actions if heresies are exposed. (*II Corinthians 6:1-7*).

I reiterated these here in order to make plain the heresies of these impersonators. We have come to the end of this document and the next will follow as soon as possible -ASAP.

May the Lord bless the hearers, giving them light and understanding and help them to see these impersonators in their true colors, who cannot divide Brother Branham's ministry into two. No! It will **break**

**every scripture** in the bible from Genesis to Revelation by dividing Brother Branham's ministry into two, as John the Baptist and Christ's ministry, and putting them in one man to represent both ministries. May God bless your hearts.
